3. DG John Sempeles asked for point of contact information from each Chapter to be forwarded over the next few days.
4. There was some discussion about the District Convention in 2009 and the District Lodge would welcome the New Orleans Chapter or another Louisiana location to host the event.
5. The District Lodge meeting continued with the DOP District Lodge members present and it was decided to hold the next District Lodge meeting in Houston, on Saturday, September 29, 2007.

6. DOP DG Barbara Maligas asked for a unified “Skepsou” mailing list by August to minimize mailing costs. Additionally, fundraising ideas for “Skepsou” have to be fleshed out.

7. District Treasurer Dr. Steve Kirkikis reminded everyone that the District Scholarship deadline for next year is 05/29/2008 for the cover letters and applications. The transcripts can come in by the day before the District Convention.
