*Ahepa Dallas Chapter 20
Honors
Dr. Nicolas L. Carayannopoulos*

On Saturday, May 21, 2016, AHepA chapter 20 sponsored the Dr. Nicolas L. Carayannopoulos Gala to honor his 35 years of service to AHEPA and our chapter and to support the establishment of an Endowment Fund in his name and recognize his long time service to Holy Trinity Greek Orthodox Church of Dallas, Texas. Our outgoing Chapter President, Bill Lane, presented him with an AHEPA service pin. He has served diligently as Chapter President, Vice President and Vice President of Hellenic Affairs. He is a long time member of Holy Trinity serving his parish as Parish Council President for a number of consecutive years beginning in 1982. He was appointed Archon of the Greek Orthodox Church in America in 2004 and in 1986 Archbishop Iakovos bestowed upon him the Archdiocesan Medal of St. Paul. In addition, he was also instrumental in forming the Holy Trinity Greek School PTA, serving as its first President.

Dr. Nicolas is a staunch supporter of the Greek Orthodox Church in America and even more strongly supports Hellenistic ideals. Following a wonderful meal, our Master of Ceremony, Donna Lalangas, introduced the evening's speakers, all Dallas Ahepans, Dr. Michael Mantas, Chairman of the Gala, Jim Dolmas, currently the Holy Trinity Parish Council President, George Naftis and Frank Mihalopoulos both Past Parish Council Presidents and George Nikolopoulos, long time Holy Trinity Greek School Superintendent and teacher followed by Dr. Leon Carayannopoulos, who introduced his father. Dr. Carayannopoulos responded with a brief, rousing and thankful speech before 250 family members, friends and well-wishers. It was a wonderful evening and well deserved recognition.
