- 1. Order of AHEPA
- 2. Daughters of Penelope
- 3. Sons of Pericles
- 4. Maids of Athena

II. THE SUPREME PRESIDENT

The Supreme President of the Order of AHEPA holds the most important position in the entire AHEPA Family at every function.

As the highest-ranking officer in our Fraternity, he shall:

- 1. Be escorted into a meeting room alone and after all other officers have been seated according to rank. (Members will stand when he enters).

2. Be seated to the right of the Chapter President in a meeting room.

III. THE GRAND PRESIDENT

The Grand President of the Daughters of Penelope holds the most important position in the Daughters of Penelope and has precedence over every other Daughter at every function.

At any meeting related to the Daughters of Penelope or Maids of Athena, the Grand President of the Daughters of Penelope has precedence, if the Supreme President of the Order of AHEPA is absent.

As the highest-ranking officer of the Daughters of Penelope, she shall:

1. Be escorted into a meeting room alone and after all other officers have been escorted in and seated according to rank. (Members will stand when she enters).
2. Be seated to the right of the Chapter President in a meeting room.

Note: The rules set forth above under Sections II and III relating to the Supreme President and The Grand President shall apply to the Supreme President of the Sons of Pericles, the Grand President of the Maids of Athena, and to the Chairman of the AHEPA Board of Directors.

IV. CHAPTERS

Visiting officers are escorted into the meeting room immediately after the President has called the meeting to order.

When Supreme, Grand and/or District Lodge officers are guests of a Chapter, the Captain of the Guard, Marshal or appointee escorts them into the Chapter room or other place of assembly for the occasion, in accordance with their rank.

The highest-ranking officer is to be escorted in last, and alone, and not as part of a group. This

rule of courtesy applies to the Supreme President, Grand President, and any other Supreme or Grand Lodge officer, and the District Governor.

The assembly will rise when Supreme, Grand and/or District Lodge Officers are escorted into the room.

Seating will be arranged according to rank: the highest ranking Supreme or District officer is seated to the right of the Chapter President.

It is customary for the Daughters of Penelope and Maids of Athena Chapters to present either flowers or small gifts to their visiting officers.

When a Chapter has within its membership a Supreme, Grand and/or District Lodge Officer or Officers, their position within their Chapter should be that of a regular member, except on the occasion of their official visitations.

Upon the election of a member into either Supreme, Grand or District Lodge office, the Chapter should acknowledge the new officer by having them escorted into the meeting room and introducing them at the first meeting following their election.

Chapters inviting Supreme or Grand Lodge officers to visit their Chapters or to attend an official function must inform the District Governor of their plans. It is mandatory that the Chapters invite the District Governor and the members of the District Lodge to be present in their official capacity on such occasions.

It is the responsibility of the inviting Chapter of an event to notify the visiting officers and guests as well as the membership itself as to the specific dress required for an affair.

All Chapters should conduct an impressive annual Past Presidents affair, and honor their previous Chapter Presidents - as well as the Past Presidents of the entire AHEPA Family.

It is further recommended that all AHEPA Family Chapters present appropriate years of service pins to Chapter members at a large public function, for indeed, the recipients of these awards are worthy of said honor. Service year pins and Past President pins are available through Headquarters and should be ordered well in advance to be available for presentation on the night in question.

It is further recommended that AHEPA Family Chapters try to honor an outstanding member of their Orders annually.

V. INITIATIONS

When the Supreme President, or any officer of the Supreme Lodge, the Grand President, or any officer of the Grand Lodge, and/or the District Governor, or any officer of the District Lodge attends a Chapter initiation ceremony, it is customary to have the highest ranking officer give the candidates the Oath of Membership.

The District Governor and the members of the District Lodge could also be invited to perform the Ritual of Initiation for said Chapter.

When a Chapter has within its membership Past Supreme, Grand and/or District Officers, their services should be utilized on the occasion of Chapter initiations.

Chapters should consider a welcoming committee to greet and to be with candidates for initiation prior to their induction ceremonies.

- a. Endorsers of candidates to be initiated should serve on such committee.
- b. This committee should be with the new members on the following meetings and occasions until they have become fully integrated into the membership of the Chapter.

As a courtesy to the new members, Chapters should present them with a membership pin and a copy of the Constitution and By-Laws of the Order.

VI. INSTALLATIONS

The District Governor and the members of the District Lodge should be invited to perform the Ritual of Installation for the officers-elect of a Chapter.

When there is a Supreme or Grand Lodge officer within the District, it is customary to invite them to attend the installation. The courtesy of rendering the Oath of Office to the President-elect should be extended to them.

When the Supreme President or Grand President and/or other Supreme Lodge or Grand Lodge officers and the District Governor and the members of the District Lodge have been invited to perform the Installation Ceremonies, the Oath of Office and the Charge shall be given to the President-elect by the highest ranking officer in attendance.

It is customary that the District Governor performs the major portion of the Installation Ceremonies.

The Chapters have the inherent right to invite any person whom they desire to perform the Ritual of Installation, including past Supreme, Grand and/or District Officers and/or Past Chapter Presidents.

When the District Governor has been invited to install officers-elect in their District, and finds it impossible to attend, it is mandatory that the District Governor request the next highest ranking District officer, namely the Lt. District Governor, to attend and to assume the duties of Installing Officer.

In the event the Lt. District Governor cannot attend, the District Governor should confer with the inviting Chapter before assigning the duties of Installing Officer to any other member of the District Lodge.

Note: This consideration should be extended to the inviting Chapter in the event they have past Supreme, Grand, District or Chapter officers who are members of their own chapter or district, to whom they would like to give preference.

When a Supreme or Grand Lodge officer attends an installation and has not been formally invited to act as the Installing Officer, they must be extended the courtesy of being requested to administer the Oath and to deliver the Charge to the President-elect. They must then thereafter

surrender the gavel to the Installing Officer.

The Installing Officer is escorted into the meeting room separately - and after all other visiting officers have been seated according to rank.

It is desirable that all officers-elect of the Order be given boutonnieres and/or corsages to wear for their installation.

The Chapters must specify the type of installation ceremonies planned, i.e., formal, semiformal, or informal, and the manner of dress required for the occasion in their invitation to officers.

On the occasion of installations and other ceremonies, it is customary for the Daughters and Maids to present flowers and/or small gifts to officers invited to perform the Ritual of Installation.
